ERIK ANTHONY

ENGINEER

My family and I have enjoyed the Casper Soccer Club for the past 8 years and Blades for the last 2 seasons. We have watched our kids grow and mature while enjoying this great game we call soccer. The CSC has been a valuable program for our family. I would like to help build on the success of the program and continue to see it grow and flourish. I believe I can bring new insight and ideas to the program to help with future success.

KRISTIN CAMP

BUSINESS OWNER

I have been closely involved with the Casper Soccer Club as a team manager, recreational parent, and board member. I have learned how important it is to have a great fundraiser for families. The last two years being a board member, and part of the fundraising committee, we have grown the fundraiser larger every year, providing families a great opportunity to ease the costs. As a result of my experience in the community as a business owner and within the Club I have a very good understanding of the concerns, expectations, and desires of parents and will continue to make a positive difference should I be reelected!

LUKE CARLSON

VP COMMERCIAL LENDING

If elected, I would be excited to continue my service on the CSC board of directors. The last 2 years have been a great experience for me and I feel that the knowledge and understanding I have gained on the board will help me contribute even more over the next 2 years. I enjoy being a part of a group that provides opportunities for kids in our community to develop as athletes and soccer players. I also truly believe the CSC provides opportunities for our players to learn good life lessons and become great people now and in the future. I appreciate the opportunity that I have as a player (years ago), coach and board member over the last many years and hope to continue to serve on this board and be a part of the best soccer in Wyoming.

I have been a part of CSC and the Blades for most of my life. First, as a player and now as a parent and a coach. I love the sport and believe that it is a great way for our kids to grow as athletes and people. I want to serve the club so that we can continue to grow and thrive as a safe place for our kids. I am a stay at home mom of 5 girls (4 who play soccer). I am specially interested in helping the club keep cost manageable for families while continuing to provide a quality soccer experience.

As a mom of a large family, I feel I bring a unique prospective to the role soccer plays in families.
